**OSEN-HUNTER Teams with TRIPLE CANOPY**

***New Team to Meet Highly Sensitive U.S. Government Objectives***

The nation's two leading Private Security Companies – OSEN-HUNTER GROUP, LLC, and TRIPLE CANOPY, INC., are proud to announce they have formed TEAM OSEN-HUNTER / TRIPLE CANOPY to pursue long term global protective services contracts in support of highly sensitive U.S. Government priorities.

This team brings together two successful companies each with significant protective operations experience in challenging operational environments. It also unites two companies who embrace the corporate ethos of legal, moral, and ethical professional conduct and personal behavior.

The missions supported by these contracts require experienced and highly qualified individuals who possess or are capable of attaining the Government's TS/SI clearance level. Willingness to take and pass a Counter-Intelligence (CI) polygraph is also required. General qualifications, as well as specific labor category requirements, will be published in the next few days, along with points of contact and other employment information.

TEAM OSEN-HUNTER / TRIPLE CANOPY offers excellent compensation, major medical insurance, top-flight training and many other employee benefits that are extremely competitive. Our goal is to make certain that we provide what is required to ensure long-term commitments to being part of an exciting team that has many opportunities at home and abroad.
